Contra Costa County

Grantee: City of Pittsburg

Amount Awarded: \$16,002.00

Grantee Contact: Ms. Laura L. Wright

CalRecycle Grant manager: Linda McElroy

Project Summary: Vehicle Maintenance. The LEA purchased an inspection vehicle with Enforcement Grant funds awarded during 1996-97 and 1997-98 grant cycles. The inspection vehicle has provided the LEA the appropriate image needed for the enforcement agency during inspections and investigations as well as improved the efficiency of the department. To continue this level of efficiency, the LEA will use a portion of the grant funds for the maintenance of this inspection vehicle.

Training. The LEA proposes to use a portion of the funds for staff to travel and attend training courses inside and outside the region to maintain and update their qualifications.

Computer Upgrades, Hardware and Software. The LEA proposes to use a portion of the any of the grant funds it receives to purchase software and equipment.

Outreach Programs. The LEA will provide outreach to the community on materials that should not be sent to transfer stations and landfills. These items include sharps, mercury, aerosols cans and other hazardous materials that can damage the environment and sanitation workers. These programs will provide residents of eastern Contra Costa County with free and convenient disposal options for these materials.

The City of Pittsburg LEA, in partnership with the Delta Diablo Sanitation District HHW drop-off facility, will use grant money to fund a sharps exchange program for residents of east Contra Costa County. Grant funds will be used to design and print an instructional pamphlets which will be distributed through doctor s offices and clinics in the target area, to purchase needle disposal kits and mailing boxes, and to pay for the cost of disposal of used needle containers that are dropped off at the HHW facility.

The mercury abatement (CFLs and thermometers) program will function in a similar manner in partnership with the Delta Diablo Sanitation District HHW drop-off facility as well as for aerosols. Due to an accident with a patron at the transfer station with a container of pesticide liquid that sprayed the patron and an employee, a new brochure on the danger of these materials may be produced to hopefully prevent future accidents with illegal dumping of these materials in the trash by residents and contractors.
